FINE & RARE WINES

Wine lovers from all our restaurants taste wines periodically to create a "Fine and Rare" wine selection.
These wines are the BEST we have tasted and are currently available to us.
They received an overall rating of 8 or more out of 10 from all panellists.
We believe the wine is ready to drink now, without the need for ageing.
Finally, our “Fine and Rare” selection is limited in quantity, specific in vintage, and unavailable elsewhere.
Sublime, elegant, structured, and above all, with a lot of attitude.
They are actual examples of the winemaker’s art.

We LOVED them and KNOW you will too.
