UNDER THE STARS

Let the stars inspire your imagination as we learn about the constellations and planets in the southern hemisphere. Enjoy a drive or walk at night under the stars and learn all about the interesting elements that can be seen in our clear night sky.

NIGHT DRIVE UNDER THE STARS

2-hour drive in our game park to search for leopard, brown hyena and our variety of nocturnal wildlife, ending a perfect evening with stunning stargazing from one of our viewpoints (weather permitting) before returning to the lodge.

NIGHT WALK UNDER THE STARS

Explore the Southern Hemisphere's night sky with our expert-led tour. After an early dinner, take a 10-minute walk to our Onyati/ Buffalo riverbed and learn about the constellations, planets and other visible objects in the sky. Our guide will use laser pointers to identify and explain interesting elements in our clear night sky.
