

WEDDING PACKAGES

Say I do...

Wild African Geetings from Pumba Private Game Reserve.

We can tailor make a package to suit your needs, be it an intimate family gathering or a larger celebration, our team will be happy to make your wedding day, a day to remember. Wedding ceremonies and receptions are not permitted in the bush due to our animals being free roaming, however, we do have two amazing lodges to choose from

Pumba is a magical setting and we believe that minimal décor is needed for your special day. Small centrepieces are acceptable, however elaborate décor setup is discouraged due to limited time/space for setup and breakdown.

Wedding Season

Our wedding season runs from 20 April until 10 October annually.

To ensure your wedding is relaxed and enjoyable for both the bridal party and guests. We require a minimum stay of two nights, with your wedding taking place, the day after arrival.

Wedding Ceremony Capacity

Pumba can cater for a maximum of 50 guests if both lodges are used.

Water Lodge is the perfect venue for an outside wedding (weather permitting) or Msenge Bush Lodge for an intimate indoor wedding.

Up to 50 guests: Both Water Lodge and Msenge Bush Lodge will need to be reserved exclusively for your wedding with a minimum of two nights stay.

Up to 26 guests: Either Water Lodge or Msenge Bush Lodge will need to be exclusively reserved for your wedding with a minimum of two nights stay.

Ceremony and Reception Cost

A fee per guest is charged for the Wedding Day.

This will include your reception dinner, as well as a welcome drink of Sparkling Wine and Canapes after the wedding ceremony.

Pumba Private Game Reserve will provide existing tables, chairs, white linen table clothes, cutlery, crockery, glassware and serving staff. Pumba Private Game Reserve does not have a wedding coordinator on-site, however we can recommend event organizers and planners who can assist you with planning your special day. This and other extras eg. décor, tents, extra chairs, flowers, cake, videography, photography, Minister, dance floor etc. will be for your own account.

Beverages (alcoholic and non-alcoholic) are not included on the wedding day and will be for your own account. You are welcome to add a BAR Tab of your choosing and extend this on the day should you wish. This will need to be settled prior to departure. Please note that we do not separate bar accounts for Guests for wedding receptions. All beverages must be ordered from our in-house wine list.

Music

Pumba Private Game Reserve is home to free roaming Big 5 game and therefore we must limit the noise levels, as loud noises can affect the behavior of our animals.

Soft melodic string quartets and 1 man bands are welcome to entertain you on your day. Unfortunately Pumba does not allow loud disco music to ensure the safety of our guests.

Music to be turned off by 22h00
