

WEDDING PACKAGES

Say I do...

Get lost in the romance of the bush as you exchange vows with the raw beauty of nature surrounding you. The endless horizons, rugged terrain, and vibrant sunsets provide a breathtaking backdrop to your love story!

From minimal decorations to bespoke ceremony and reception plans, we ensure every detail is crafted to create a memorable experience for you and your Guests.

Unfortunately due to our animals being free roaming, wedding ceremonies can only take place at either one of our beautiful lodges. With soft glowing lanterns, crackling fires, crisp white tablecloths and the beauty of your surroundings, minimal decor is encouraged, only small center pieces are advised.

Wedding Season

Pumba's wedding season runs from 20 April until 30 September annually.
A minimum of two nights is required when booking your
"happily forever after."

Wedding Ceremony Capacity

Up to 50 Guests:

Both Water Lodge and Msenge Bush Lodge will need to be reserved exclusively for your wedding with a minimum of two nights stay.

Up to 26 Guests:

Either Water Lodge or Msenge Bush Lodge will need to be exclusively reserved for your wedding with a minimum of two nights stay.

Ceremony and Reception Cost

A fee per Guest is charged for the Wedding Day.

This will include your reception dinner, as well as a welcome drink of Sparkling Wine and Canapes after the wedding ceremony.

Pumba Private Game Reserve will provide existing tables, chairs, white linen table clothes, cutlery, crockery, glassware and serving staff. Pumba Private Game Reserve does not have a wedding coordinator on-site, however we can recommend event organizers and planners who can assist you with planning your special day. This and other extras e.g. décor, tents, extra chairs, flowers, cake, videography, photography, Minister, dance floor etc. will be for your own account.

Beverages (alcoholic and non-alcoholic) are not included on the wedding day and will be for your own account. You are welcome to add a BAR Tab of your choosing and extend this on the day should you wish. This will need to be settled prior to departure.

Please note that we do not separate bar accounts for Guests at the wedding reception.

All beverages must be ordered from our in-house wine list

Wedding Ceremony and Reception - Per person Wedding Day Fee - TBA

Music

Pumba Private Game Reserve is home to free roaming Big 5 game and therefore we must limit the noise levels, as loud noises can affect the behaviour of our animals.

Soft melodic string quartets and 1-man bands are welcome to entertain you on your day.

Regrettably Pumba does not allow loud disco music to ensure the safety of our animals.

Music to be turned off by 22h00
