FINE & RARE WINES

Wine lovers from all our restaurants taste wines periodically to create a "Fine and Rare" wine selection.

These wines are the BEST we have tasted that are currently available. They received an all over rating of 8 and more out of 10 from all panelists.

We believe the wine should be ready to drink now and focus mainly on that.

Finally, our "Fine and Rare" selection is limited in quantity, specific in vintage and unavailable everywhere else. Sublime, elegant, structured and above all, lots of ATTITUDE. They are true examples of the winemaker's art.

We LOVED them and KNOW you will too.

CAP CLASSIQUE

Cap Classique is a term used for South African sparkling wine made using the traditional method, similar to Champagne. The name "Cap Classique" was adopted in 1992 to distinguish these wines from Champagne, as the term "Champagne" is legally restricted to wines from the Champagne region in France. Cap Classique wines undergo a second fermentation in the bottle, which creates the bubbles and complex flavours associated with this style
