### Silver Star Wine List SA 2022/2023

**Our wine list has 400 wines listed.**

#### *What is wine?*

*In short, wine is fermented grape juice. It is complex and beautiful; it is a moment captured in a bottle. Wine is a living organism; Normally, it gets better with time.*

*The matrimony between food and wine is not about the perfect technical pairing, but rather finding a match that is palatable for you.*

- *Tannin is the dry, bitter, furry mouth-coating sensation. They come from grape skins, stems, and pips also from oak barrels. Tannins gives body to red wines and is also excellent ageing agent.*
- *Acidity balances all different flavours of any wine. When it comes to pairing acidity must be taken into consideration.*
- *Salt enhances flavours of food as well for the wine. Too salty dish will destroy a wine.*
- *Sweetness in food may be controlled by the acidity and alcohol levels of the wine.*

***Proverb: Wine is the second sauce of the dish. (Germain Lehodey)***

*Origin: Bergheim, Alsace, France. (B6)*

## *White Blends*

*Creating the blend might just be the most creative part of being a winemaker. It's the moment where you get a chance to exercise your skills at flavour balancing. In fact, the process of blending goes beyond just putting grape varieties together. Many winemakers go through a rigorous barrel selection process to identify the best tasting wines. The top barrels go into a winery's reserve bottlings, either reserved as a single variety or put together into a cuvée (French for 'vat').*

**# (DGB) Douglas Green Chenin Blanc / Sauvignon Blanc**

240

Bright gold with a youthful green glow. Brimming with a fruit salad of aromas including Tropical fruits with a subtle streak of green asparagus and figs that follow through on an Accommodating mouth of sunny ripe fruit flavours, perfectly balanced by a frisky dry finish with lingering citrus freshness.

**365**

The power of two makes Henrieta an ambassador for Bizoe elegant, confident and seamless. Packed with fruit and a notable intensity from the Semillon, the wine is etched with a bright and luminous quality brought to life by Sauvignon Blanc. Hemmed with a bright, herbaceous note, fruit remains the hero while demanding attention demanding layers of fruit, spice and herbs.

*Wine Origin: Stellenbosch (C7)*

**Gerard Bertrand Côte des Roses Rosé 2016** **540**

A soft, pale, brilliant pink with blueish tints developing over time towards more orangey nuances. The bouquet releases aromas of summer fruits, cassis, and redcurrants.

*Wine Origin: Languedoc-Roussillon, France (C7)*

## *Red Wine*

### *Merlot*

*Merlot is a dark blue-coloured wine grape variety, that is used as both a blending grape and for varietal wines. The name Merlot is thought to be a diminutive of merle, the French name for the blackbird, probably a reference to the colour of the grape. Its softness and "fleshiness", combined with its earlier ripening, makes Merlot a popular grape for blending with the sterner, later-ripening Cabernet Sauvignon, which tends to be higher in tannin.*

- Jordan Chameleon No Sulphur Merlot** **245**  
The only no sulphur wine on the wine list. Beautiful, yet because of no protection against oxygen, quality may vary from bottle to bottle. A statement to be taken seriously.

- Buitenverwachting Merlot 2006** **600**  
 The wine has a fragrance of ripe red fruits such as plums and dark cherries, with earthy complexity and yet still expressing minerality. Maintaining a good acidity leads to outstanding freshness with a well-integrated ripe and seductive tannin structure.  
*Wine Origin: Constantia (14)*

## *Shiraz*

*Shiraz wine refers separately to two different well-known wines. Historically, the name refers to the wine produced around the city of Shiraz in Persia/Iran.<sup>[1][2]</sup> In the current era, "Shiraz" is a marketing term for Syrah produced in Australia and South Africa. The modern "Shiraz" grape is identical to Syrah and originating in southeast France with no established connection to Persia (Iran).*

## *Pinotage*

*Pinotage is a red wine grape that is South Africa's signature variety. It was bred there in 1925 as a cross between Pinot noir and Cinsault (Cinsault was known as "Hermitage" in South Africa at that time, hence the portmanteau name). It typically produces deep red varietal wines with smoky, bramble and earthy flavours, sometimes with notes of bananas and tropical fruit.*

**# (DGB) The Fat Man Pinotage**

## *Cabernet Franc*

*Cabernet Franc is believed to have been established in the Libournais region of southwest France sometime in the 17th century when Cardinal Richelieu transported cuttings of the vine to the Loire Valley. They were planted at the Abbey of Bourgueil under the care of an abbot named Breton, whose name became associated with the grape. By the 18th century, plantings of Cabernet Franc (known as Bouchet) were found throughout Fronsac, Pomerol and St-Emilion, making quality wines.*

**Raats Dolomite Cabernet Franc 2022**

**435**

Dark berries, spiciness and herbs linger on the palate. The wine has great purity of fruit with a hint of wet stone minerality and a velvet soft finish.

*Wine Origin: Stellenbosch (F6)*

*Wine Origin: Paarl (F6)*

**Raats Eden High Density Cabernet Franc 2016/2021**

**4 085**

The nose is mesmerizing with notes of red and black fruit, a perfume which goes beyond floral and is almost musky, a fleeting note of mint, pencil shavings, earth, and oyster shell. The palate shows incredible depth and length without being weighty and there is a real sucrosity to the fruit which is to say a sense of purity and juiciness rather than the presence of residual sugar.

*Wine Origin: Stellenbosch (F7)*

## *Unusual Red Wine*

*Like everywhere around the globe, global warming and climate change is affecting the Western Cape. As we are getting warmer and drier new unusual cultivars are becoming more and more, drought resistant cultivars are being planted throughout our wine regions.*

*Wine Origin: Stellenbosch (Sommerset West).*

## *Red Blends*

*Since winemaking is an art, the act of blending is what allows the winemakers to express their talent and signature. Heavy wines can be softened by blending with a more elegant variety; while delicate, or even boring wines, can be given strength and body through the addition of a more substantial variety. Indeed, blends are some of the most complex and interesting wines to be enjoyed. Red wine blends can be found in all the wine regions of the world.*

**# (DGB) Brampton Old Vine Red**

## *Middelvlei Wine Estate (AG 1-93)*

*Middelvlei wine estate is in the heart of Stellenbosch, 52 ha producing wine for over 100 years. Been from the beginning part of the Momberg family. Run today by brothers Tinnie and Ben with the supervision of their father Stiljan, they have adapted to the change of climate to bring the best of what Stellenbosch can offer.*

*The prestige, Iconic flagship called Momberg represents the different vintages where the blend varies yearly accordingly to the hot and dry climate during these 5 different years.*

*We are offering 5 different vintages of this unique wine as well as the Cabernet Sauvignon.*

**Middelvlei Momberg 2015:**

**R 1750**

blend of 40% Shiraz, 30% Pinotage and 30% Cabernet Sauvignon. Having 30% Pinotage in the blend it makes this wine one of the best Cape Blend.

**Middelvlei Momberg 2016:**

**R 800**

A blend of 42% shiraz, 34% Cabernet Sauvignon and 24% Pinotage. Good structure yet is lighter than 2015 one. Easier access with soft tannins, ready to be drunk now!

**Middelvlei Momberg 2017:**

**R 1500**

A blend of 45% Shiraz, 33% Pinotage and 22% Cabernet Sauvignon. In each of the great vintages, Tinnie put a high percentage of Pinotage to round the wine and give the finesse of the wine with great aging potential.

**Middelvlei Momberg 2018:**

**R 1100**

A Blend of 46% Shiraz, 37% Cabernet Sauvignon, 17% Pinotage. It offers an excellent mid-palate delightful red fruit and lingering aftertaste.

**Middelvlei Momberg 2019:**

**R1000**

A blend of 47% Shiraz, 30% Pinotage and 23% Cabernet Sauvignon. Another great vintage from this beautiful blend. A wine with 15 years of aging potential.

**Middelvlei Cabernet Sauvignon 1987**

**Middelvlei Cabernet Sauvignon 1990**

**R 800**

Another example of an estate which produce constant quality at fair price.

## *Dessert Wine*

**Straw Wine** is produced by putting the overripe grapes on a bed of hay's straws to allow part of the water to evaporate (raisin type) before fermentation. It increases the ratio of sugar in the berries. Great balance between sugar and acidity which make these wines to age very well.

**Donkiesbaai Hooiwijn 2016 375ml** **650**

A delicious sweet chenin Blanc with good acidity.

*Piekenierskloof (D7)*

**Mullineux & Leeu Straw Wine 2016 375ml** **950**

Great sweet wine from Chenin Blanc, very long aftertaste.

*Swartland (D7)*

**Mullineux Essence Straw Wine 2012 250ml** **one bottle** **6100**

*Very rare wine. Only 696 bottles produced.*

*Swartland (D7)*

**Noble late Harvest** is another process to make delicious, sweet wine. Here the berries are overripe and are affected by a fungus called *Botrytis cinerea*. The action of the fungus is it concentrates the amount of sugar in the berries. It needs high humidity to develop.

**Glenwood Grand Duc Noblesse Semillon N.L.H.** **600**

Semillon produces some of the best sweet Bordeaux, powerful, long aftertaste.

*Franschhoek (D7)*

**Oneiric Noble Late Harvest Sauvignon Blanc 2016** **625**

Sweet Sauvignon Blanc retains a good acidity, which makes this wine not too sweet.

*Elgin (D7)*

## Fortified wine

### Sherry type.

### Price by the glass

In South Africa we are no longer allowed to use the name of Sherry because it is a protected name in Spain. However, we used to produce such delicious fortify wine in the same process as Spain. For the past three years no local Sherry been produced.

**Old Brown Sherry** Semi-sweet fortified wine. Not real sherry. **60** bottle R 350

### Port type.

Port name is the same as for the sherry, it is protected in Portugal.
