

BUSHVELD BIVOUAC

PRIVATE CAMP

BUSHVELD BIVOUAC

Dare | Dream | Discover... or just come and chill

Bushveld Bivouac is a beautifully designed, fully serviced, off-the-grid bush camp on an easily accessible game farm with a wide range of plains game from zebra, giraffe and antelope, to porcupine, caracal, civet, serval, and occasionally leopard and hyena that wander through the reserve.

Located halfway between Hoedspruit and Phalaborwa, the farm lies just 40 minutes from the world famous Kruger Park's Phalaborwa gate to the north, a bit over an hour's drive from Orpen Gate to the south; and close to numerous other extraordinary destinations.
