

# HATARI LODGE

ARUSHA NATIONAL PARK

S3° 13' 35.6" E 36° 51' 26.0"

## LOCATION | SETTING

Set in the vast & beautiful Arusha National Park, Hatari is nestled on the edge of a pristine woodland overlooking a glade called 'Momella meadow' with views of Mt. Kilimanjaro & Mt. Meru.

Two of the natural world's most famous sisters, Mount Kilimanjaro & Mount Meru, are separated by only 348 kilometers, and can be enjoyed slope-to-slope within an 1.5 hour drive

A legendary handmade bush lodge, once the setting for the 1962 Hollywood film, Hatari!

Wild & romantic, the original farm buildings have been updated to house a central living & dining room, where guests gather round the warmth of the large stone fireplace or watch over the glade from the open deck.
