

SHU'MATA CAMP

ENDUIMET WILDLIFE MANAGEMENT AREA

S3° 13' 35.6" E 36° 51' 26.0"

LOCATION | SETTING

Situated directly under the majestic Mount Kilimanjaro, in the hidden gem of the Enduimet Wildlife Management Area.

Located adjacent to the UNESCO site Mt. Kilimanjaro National Park to the south-east and it's famed crater highlands, there are unlimited ways to enjoy this area along with the magnificent Great Rift Valley.

The Kenyan-Tanzania border sits to the north of the Enduimet Wildlife Management Area.

About two hours drive to Arusha National Park, there are over 1,000 square kilometers, that encompass Ngerdoto crater, savannahs, lakes and vast plains filled with wildlife.

A permanent camp, set high on a ridge designed and positioned to capture stunning 360 degree views of the savannah and Kilimanjaro.

ACCESS | ACCOMMODATION

International & scheduled flights - Kilimanjaro

International Airport & Arusha Airport.

Arriving from Kilimanjaro Airport, drive via Boma N'gombe, approx. 2 hours.

From Arusha Airport. via Longido, approx. 2 hours drive.

From Hatari Lodge, via Ngabobo, approx. 1 1/2 hour drive.

If guests arrive after 6pm, we recommend a night at Hatari first and then onto Shu'mata in the morning.

From Shumata to West Kilimanjaro airstrip approx. 45 min drive.

Perfectly positioned to encompass the the unique views across the wilderness and Mt. Kilimanjaro.

Each of the seven tents is self contained with a full bath and private veranda.

A traditional safari camp, the interiors and decor have all been designed as a tribute to the bygone era and are chic and colourful.
