VENUE

The MC must review health and safety protocols, including evacuation exits and assembly points, as required by law.

Cigarette remnants must not be flicked from the patio, as this poses a fire risk.

Smoking and vaping are strictly prohibited inside the venue and bar area.

Only biodegradable confetti is allowed.

If using animal ring bearers, please discuss arrangements with the coordinator.

No alterations or drilling into walls or ceilings is permitted.

The availability of the venue for décor setup depends on our existing bookings and venue availability.

Should the bridal couple choose to set up the venue themselves, event staff are available to assist at an additional cost.

On public holidays, additional staffing charges apply at double the normal rate.

A rain plan should be in place if the wedding is planned during the rainy season.

GENERAL

Please note that depending on your selected package or custom package, weddings do not grant exclusive use of the entire property. Other guests may be visiting the Spa and Vista's Restaurant during the wedding.

A parking area is provided for wedding guests. Guests staying at the hotel should park in the reception parking area.

Unfortunately, our wheelchair accessibility is limited due to the topographical layout of the premises, which are located on a hill. We do provide mobile ramps to assist.

Young children must always be accompanied by an adult.

The property is fenced and electrified. Please ensure that children stay away from the fence for safety.

PAYMENTS & CANCELLATIONS

The Feather Hill operates on a first-come, first-served basis. Wedding dates will only be secured once a full booking confirmation fee of R20,000 is received, and the booking contract is signed and sent to the venue administration at venue@thefeatherhill.co.za and events@thefeatherhill.co.za. The R20,000 booking fee will be seen as a deposit and will be deducted from the invoice as a payment.

Proof of payment is required for all EFT payments. The payment reference should include the married name and wedding date.

The Feather Hill reserves the right to cancel the contract if payments are not made on time, as discussed with your coordinator.

A payment of 50% of the total invoice is due six months before the wedding. Failure to pay by this deadline will result in forfeiting your wedding date.

Children: Babies and pre-school children may enter the venue free of charge. A venue hire fee of R100 per child applies for primary school children. High school children are counted as adults and will be charged the full adult rate.

A breakage deposit of R1,500 will automatically be added to the invoice and refunded if there are no breakages. If the damage exceeds R1,500, the bridal couple will be responsible for the balance.

If the wedding is postponed or moved to a different date or year, any special pricing, such as winter discounts, will no longer apply. New pricing for the selected date or year will be in effect.

Cancelling your wedding for personal reasons will be considered a breach of contract, and the cancellation policy will take effect.
