Testimonials from Happy Couples

N Littleford

I was told, that long ago, a magic spell was cast over the area of Tulbagh—and after this weekend, I can definitely say we felt that magic. Our friends advised us not to worry about the little things that might go wrong during the wedding and to simply focus on ourselves. But honestly, nothing went wrong.

The staff and venue exceeded all expectations, and everything ran so seamlessly that we were left in awe. Marko and his team were absolutely incredible, always helpful, always present when needed, and making sure every detail was taken care of. The venue itself is breathtaking, the rooms were beautifully designed, and every amenity provided was so well thought out, adding an extra layer of convenience to our stay.

We had our 2 day wedding celebration with 24 of our dearest family members. We all left Guinevere absolutely in-love with it, we still talk about it. Thank you for the beautiful venue and friendly staff.

A Dream Wedding Venue – A Hidden Gem in Tulbagh

When searching for our wedding location, we dreamed of finding a house where our families from abroad could stay over, allowing us to blend, bond, and celebrate our union over an entire weekend. While I had always imagined getting married in Tuscany, Italy, we stumbled upon this breathtaking villa, hidden on top of a hill in Tulbagh, and it felt like Italy had been brought to us. The views of the villa and its surroundings were absolutely stunning. The rooms were incredibly spacious, each with a gigantic bathroom and a private balcony overlooking the magnificent Tulbagh mountains.

The pool and facilities? Simply wow! Words can't describe how amazing they were. Even with 32 people staying at the venue, it never felt crowded, there was so much space that you could easily get lost.

Every detail was thoughtfully taken care of. The entire property was spotless, with little touches like beautifully arranged towels with flowers. The kitchen was fully equipped with everything you could possibly need. The manager and her team were exceptionally accommodating, always greeting us with warm smiles and ensuring we had everything we needed for both the weekend and the wedding day. We braaied, swam, danced, and had the most intimate and magical wedding. The quad where we held our reception was straight out of a dream.

If you're looking for a hidden gem to celebrate an intimate wedding, a birthday, or a special gathering, look no further, this is the place! Hands down, the best villa ever.

Thank you for making our wedding such an unforgettable and beautiful experience!

We had the best experience hosting our wedding at Guinevere! The area and the house is absolutely beautiful, even more than what can be seen on the pictures! We had the best stay, with the swimming pool and the amazing rooms, our guests really enjoyed themselves! It was delightful working with Ilze, Marko and Emily - Ilze was so helpful during the planning, answering all my questions quickly and helping us to get everything done over a distance! Marko and Emily were extremely helpful during our stay, nothing was too big or small for them to help us with! Would definitely recommend Guinevere to anyone!!

We recently held our wedding at Guinevere Guest Farm, and we could not be more pleased with how it turned out! The venue is stunning, with the perfect intimate setting. The house itself is secluded so you do not need to worry about bothering anyone around you or shutting the party down early. The lawns are immaculate, and the decor inside the house makes it so special. The rooms are clean and tidy and were done up beautifully for all of our guests. Everyone was extremely comfortable. Views from the rooms were stunning and the upstairs chill area was perfection. The staff are WONDERFUL and extremely helpful. They make sure everything is perfect for your weekend and really care about you and your guests having the best time with zero stress - huge shoutout to Ilze, Marko, and Emily! Plus, the venue is pet-friendly! Our little dog had the best time safely running around exploring. Overall, I would STRONGLY recommend Guinevere Guest Farm for your special day or even just a weekend away. We can't wait to go back in winter with some friends to light all of the gorgeous fireplaces.

Rheta-Marie

We had the pleasure of staying at Guinevere Guest Farm for our wedding weekend, and it was nothing short of spectacular. The pastoral charm and tranquil surroundings provided the perfect setting for both our stay and the wedding day itself.

Our experience was marked by the exceptional service of the house staff. They were not only friendly but also attentive, ensuring our accommodations were comfortable and pristine. The daily cleaning of the kitchen was particularly helpful, as it allowed us and our guests to focus on enjoying the festivities without any hassle.

The wedding reception held at Guinevere were magical. The venue was beautifully set up by Nadia and her team from Tulbagh Wedding Valley, blending seamlessly with the natural elegance of the location, creating a picturesque backdrop that left us and our guests in awe.

I wholeheartedly recommend Guinevere Guest Farm to anyone looking for a serene getaway or a stunning event venue. The staff's professionalism and the site's inherent beauty contributed to making our special day flawless. Thank you, Guinevere, for a truly memorable experience.
