

CAPE TOWN & WINELANDS EXTENSION

An aerial photograph of a luxurious estate. In the foreground, several large, white, modern-style houses with grey roofs are visible, surrounded by lush green trees and a well-maintained lawn. A large, calm lake sits in the middle ground, reflecting the sky. Beyond the lake, a row of smaller white houses is nestled among green fields. In the background, a range of rugged, dark mountains rises against a bright blue sky with scattered white clouds. The overall scene conveys a sense of peace, luxury, and natural beauty.

YOUR NEW HOME

About Your Hosts

After your hunting excursion, continue your journey with a luxury Cape Town & Winelands extension, designed for smaller groups up to eight people who want to experience South Africa's most iconic regions — without stress around planning or logistical overwhelm. The package is curated and tailored to your every preference.

This extension encapsulates the absolute best the Western Cape has to offer, including breathtaking scenery, culture, exquisite food and wine, hosted and guided by someone who already understands your pace and preferences from the retreat.

Our De Zalze lodge has been a labour of love since we first purchased the property in 2004, with building beginning the following year.

As a family, we share a deep passion for travel, good wine, and discovering new cultures — passions that inspired the creation of this space. We've poured our hearts into making this home a comfortable and welcoming retreat where guests can relax, explore, and enjoy the best that Stellenbosch and the Cape Winelands have to offer.
