Booking Procedures & Conditions

Once you have contacted us with your hunting enquiry, booking can take place via your agent or directly with Grootvallei.

Deposits

A booking will only be held once a minimum of 40% of the Total Daily Rate of the safari has been received as a deposit and a contract has been undertaken between Grootvallei and the client.

A minimum of 40% of the daily rate is required to confirm a booking, while trophy fees will be determined by the year in which the hunt takes place in UNLESS 100% of the day fee/s is settled which will lock trophy fees at those rates of the year in which a deposit is paid, unless stated differently within your contract.

Payment

Full payment of the balance of the total daily rate for the safari is due upon arrival at camp.

Trophy fees can be settled at the end of the hunt.

We do not accept personal cheques and travellers' cheques. However we do accept cash, wire transfer and all leading credit cards. Please note there may be a slight difference in credit card charges from time of payment to when the transaction takes place due to exchange rate fluctuations.

Surcharges on Transactions Credit Cards - A 3.5%

surcharge will be levied on all credit card transactions.

Wire Transfer - 0.2% surcharge will be levied on wire transfers.

Feel free to wire a projected total prior to the start of your safari, which can then be topped up at the end of your safari or refunded.

Wounded / Harvested Trophies

Any animal wounded/hit, where blood is drawn, and found OR lost, will be deemed as taken. The full trophy fee will apply

Insurance

Grootvallei recommends that ALL clients obtain travel insurance prior to their safari.

Gratuities

While settling your bill for your safari with credit cards or wire transfer is not a problem, the tipping of trackers, camp staff and PH's must always be done in USD\$ cash, as staff are often unable to exchange cheques.

If you wish - Tips can be added to the final bill of the safari and tallied to your Safari total.

Check with your Professional Hunter what the norm is on tipping and at all times keep in mind a tip is a bonus greatly appreciated, but not expected.

Cancellation Policy In the event of a client cancelling a safari less than 6 months prior to the commencement date the safari, the deposit will be forfeited if the dates cannot be rescheduled to alternate dates within the same season, or the following season.

Safaris cancelled more than 6 months prior to the commencement date of the hunt will be refunded the deposit less 25%. This 25% will not be refunded, but can be applied to a future safari with alternate dates within the same season, or the following season.
