# CHASING ADRENALINE

## *Dangerous Big Game Hunting*

Experience the ultimate dangerous game hunting adventure with Grootvallei African Safaris. From African buffalo in the rugged landscapes of the Northern Cape to the elusive leopard in Namibia—every moment is filled with adrenaline and unforgettable thrills.

# EXOTIC TROPHIES OF AFRICA

At Grootvallei, we have become renowned for offering our clients the widest range of exotics and color variants in Africa. From striking black, golden, and white phases to unique trophy specimens—here you can achieve every slam.

Whether it's wildebeest, springbuck, impala, or blesbuck—we provide the opportunity to complete all recognized slams. Without relying on a “put-and-take” method, but through maintaining sustainably high numbers across all our areas, every hunt is designed to ensure these rare and beautiful animals become a highlight of your safari experience.

In 2024, Grootvallei set a new standard by breaking the record for the largest Oryx Slam ever hunted, solidifying its reputation as the leading destination for this extraordinary achievement and confirming its status as the true Home of the Oryx Slam.

# MOUNTAIN & BIRD HUNTING

In the Eastern Cape, Grootvallei offers a truly authentic free-range hunting experience across more than 12,000 hectares of untouched wilderness. This rugged terrain is renowned for some of the finest mountain hunting in Southern Africa, where hunters pursue the challenging Vaal and Mountain Reedbuck in their natural habitat.

Beyond the mountains, the region also provides exceptional bird hunting. The Grey Wing Francolin—celebrated as one of Africa’s most exciting game birds—delivers unforgettable moments in a spectacular setting.

For those seeking the ultimate challenge, we proudly offer the Royal McNab: an extraordinary pursuit from sunrise to sunset that combines hunting a Vaal or Mountain Reedbuck, shooting the Grey Wing Francolin, and catching a wild rainbow trout—all in a single day.

# BOW HUNTING

At Grootvallei, bow hunting offers a truly unique way to experience nature. Our carefully designed hides—ranging from elevated platforms to ground and tree blinds—provide the perfect position for an accurate and ethical shot.

With 10 strategically placed hides on our home base and another 7 on neighboring concessions, Grootvallei gives every client the greatest chance of success. Whether you're pursuing plains game or more challenging species, each hunt is tailored to deliver a rewarding and unforgettable bow-hunting adventure.

# HELICOPTER HUNTING EXPERIENCE

Join us for a one-of-a-kind Helicopter Culling adventure, where excitement meets conservation. This exclusive annual event offers hunters a rare opportunity to assist local farmers by reducing the warthog population in areas affected by significant crop damage.

From the vantage point of a helicopter, you'll engage in an exhilarating hunt while contributing to vital wildlife management efforts. This unique experience is not just about the thrill of the chase but also about making a meaningful impact on the local ecosystem.

Join us for an adventure that combines purpose, conservation, and the adrenaline of hunting from the skies.
