

SALT & LIGHT ECD

“Educating the mind without educating the heart is no education at all.”

ABOUT SALT & LIGHT

Salt & Light ECD is the first phase of an extensive childhood development and upliftment project, located in Hopetown, Northern Cape.

salt & light

HUB FOR HOPE

VISION

We want to see our rainbow nation come alive through educating the heart and mind.

We want to see every child develop into his or her unique calling and giftedness.

Every child should have the opportunity to have better future.

It is our passion to serve and steward these masterpieces in the best possible way.

MISSION

We want to create a platform for our youth to grow and develop their identity.

To equip and train their parents to understand that they are the child's first curriculum.

To raise awareness of environmental sustainability and responsibility by growing food and developing entrepreneurial skills.

OUR VALUES

1. Family
2. Whole person
3. Health
4. Heart of the child
5. Grit and resilience
6. Raw material of the child
7. Vulnerability
