Corporate fly-fishing team build & events

An introduction to the fine art of fly-fishing …with a twist!

Overview
Fly-fishing provides a level playing field for male and female participants. Unlike normal fishing you do not need physical strength or to use messy bait.
The processes involve require some co-ordination, sense of adventure, listening skills and ability to enjoy beautiful natural surroundings. Events can be hosted at a variety of venues. Some are 35 min drive from Joburg & Pretoria and other a bit further away in Drakensberg/Dullstroom etc.
We ensure that all the venues we use have good water quality, scenic location and are eco-friendly.

Our experienced guides/facilitators will assist your team with:
a) teaching basic fly-fishing skills
b) facilitating group bonding and improving communication skills

CLASSIC HALF DAY TEAM BUILD PACKAGE
Agenda for 2.5 hour activity – From R700 pp (min 10 fishers)
Session 1
Brief overview of the history of fly-fishing & explanation of the equipment
Explanations of eco-friendly fly-fishing practice ie catch and release
Casting lesson and practice
Basic entomology explanation (nb to understand how to select the correct flies to fish with)
Session 2
Group divides into teams for two exciting challenges
1) Accuracy casting challenge where each team member has three casts to try and land the fly in a hoop target. Challenge for individuals but score points for your team.
2) Blind folded casting challenge (relay format):
a) A team member must concentrate on the casting skill that they have learnt to try and cast the fly into the target zone while blind folded. Taking away the sight sense forces you to rely on your other senses (ie hearing, touch etc).
b) Test communication skills to assist the member who is blind folded to land the fly in the target zone.
Session 3
If the venue has a fishing dam then guests will tie on a fly and try to catch a fish. Guides will assist and help to correct mistakes and provide practical fly-fishing advice. Guests using a venue without a fishing dam will begin the Trout cook off and wine pairing (if selected)..
Duration:
2,5 hours

Included:
Fly-fishing rod & flies
Experienced guide/facilitator
Excluded:
Cap or buffs to differentiate teams and protect against sunburn (if selected)

MULTI DAY INCENTIVE PACKAGE
Price on request
Agenda for **24 hr itinerary**
Day 1
* 2.5 hour introductory fly fishing activity with challenges
* Trout cook off and wine pairing before lunch (if selected)
