Feel free to help yourself to coffee and fresh juice in our open residential-style kitchen as your breakfast is prepared before you. Note the striking brass kitchen counter and the overhead light crafted by South African designer, David Krynauw.

BAR / LOUNGE

Relax in our "lounge in the bush", an inviting space designed in natural timber, rattan and leather with bright geometric fabrics and chandeliers inspired by Botswana clay pots. Sit at a table to play games or strike up a conversation, or recline in a comfortable chair, cocktail glass in hand, to absorb the views.

BOMA

Join us for a unique dining experience that brings the true spirit of Africa alive. Traditionally, a boma is a meeting place for senior tribesmen. Gather by the fire with your fellow guests and indulge in delicious local dishes as singers and musicians invoke the rhythms associated with this spiritual land. Our staff choir have beautiful voices – don't be surprised if they greet you with a traditional song on your arrival. You may find yourself moving to rhythms handed down through generations.

PRIVATE DINING

Let us set up a romantic table on your own candlelit deck. Feast on sumptuous delicacies as you watch majestic animals wander across the darkening horizon. Or stage an unforgettable dinner in our viewing hide, enjoying a secret, close-up view of the animal action as you indulge.
